MAGNUSON (985)345-0556

In 2013, Ron Roberts guided Southeastern to a 11-3 record. The Lions won the Southland Conference and competed in the NCAA Quarterfinals for the first time in Lions history. Roberts was named Louisiana, Southland Conference and Regional Coach of the Year. For the second consecutive year, the Lions swept in-state rivals, with victories over McNeese State, Northwestern State and Nicholls State.

Coach Roberts begins his third year as head football coach at Southeastern, looking to build on the excitement of the Lions' most successful season in school history. Last season, the Lions led the Southland conference in 9 defensive categories and 5 offensive categories while placing 26 on the All-Southland football team and 46 on the Academic Honor roll, which also led the Southland Conference. With the heart of the Lions returning and adding several new additions the Lions look to improve on a historical season.
